

PEOPLE'S ALLIANCE for LUDLOW

Our Charter

We believe that living in a vibrant, resilient and fully-functioning local community is everyone's right.

We believe that strong local communities will benefit all of Shropshire.

We regard full inclusion of citizens, social fairness, sustainability and resilience as essential for the well-being of our community.

We regard effective working relationships with all relevant individuals, groups and elected representatives and their staff as an essential part of the way forward.

We consider that an approach to the future based on the joint development of innovative approaches and willingness to try new structures as essential.

We will conduct our business with reciprocal respect and transparency.
